Mr. Keating / Dead Poets Society

General Savage / 12:00 High

The Surgeon & The Janitor

So what is Emotional Intelligence?

The capacity for recognizing **our own feelings** and **those of others**, for **motivating** ourselves, and for **managing emotions** well in ourselves and in our relationships.

It describes abilities distinct from, but complementary to, academic intelligence, the purely cognitive capacities measured by IQ.

What's in it for you?
