

Plugging in for a greener planet.

Dallas Area Rapid Transit has deployed zero-emission, all-electric buses. Made by Proterra, these buses operate on our D-Link route that connects arts and entertainment destinations around downtown Dallas.

These advanced battery-electric vehicles offer clean, quiet transportation and join DART's electric light rail trains and Dallas Streetcar as zero emission vehicles.

Electric Bus Facts

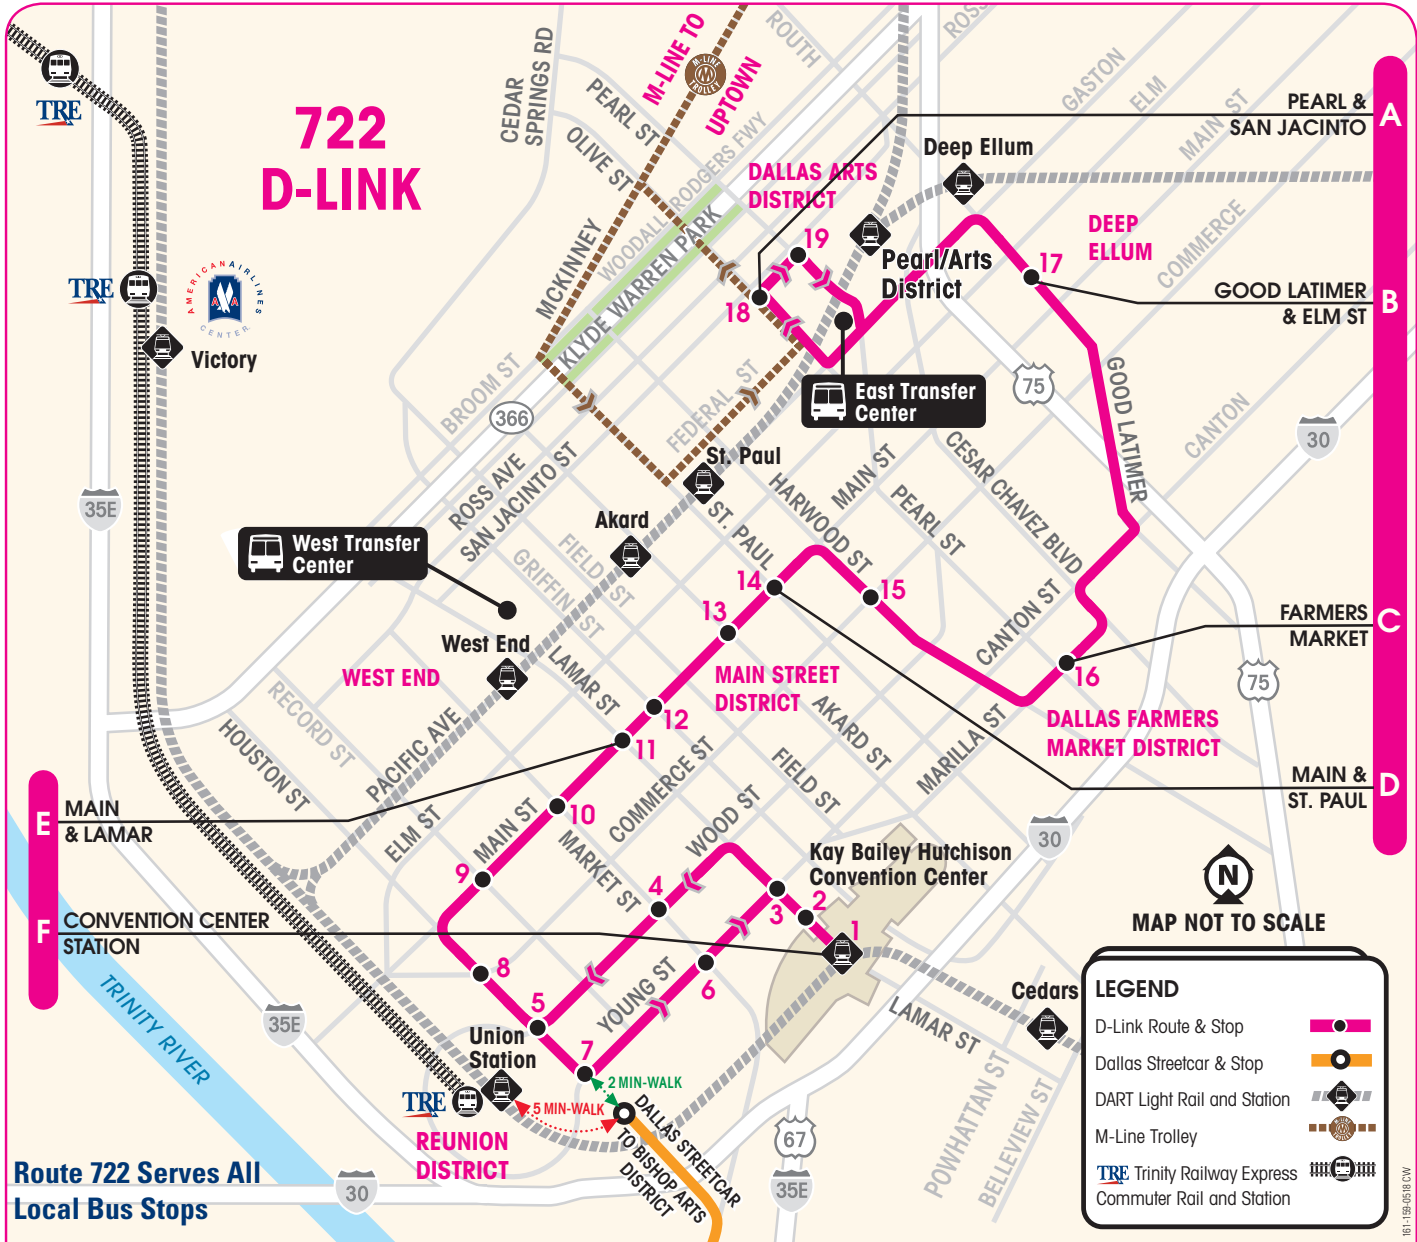

<p>Fast charge in as little as 5 minutes</p>	<p>Two automatic docking charging stations located at Kay Bailey Hutchison Convention Center Station</p>	<p>30-mile maximum operating range per charge</p>	<p>Lithium ion battery packs have a six-year life cycle</p>	<p>Batteries are charged after each 19-mile service loop</p>
