

RTD CAPITAL PROGRAMS

Jyotsna Vishwakarma Chief Engineer

About me..

- Working Engineer with 30 years of experience
- Bachelors Degree in Engineering BITS, Pilani, India
- Community Development
- Masters Degree in Engineering UT Austin
- Land Development Consultant
- With RTD Since 2010
- Married with one kid

My Lessons Learned

- DELIVER VALUE!
- Try and understand what other people want
- Plan and Execute.
- Engineering should not be in the news
- You are just an engineer....

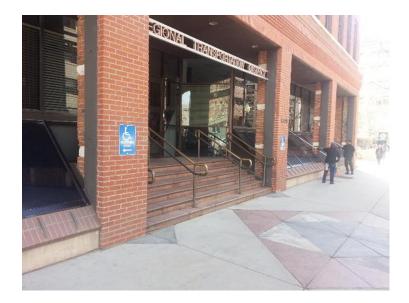

Our role as the Landlord-

- We look after everything that does not move.(Except Elevators)
 - ✓ Concept Development
 - ✓ Design
 - ✓ Construction
 - ✓ Integration
 - ✓ Renewals
 - ✓ Real Property
 - ✓ Maintenance

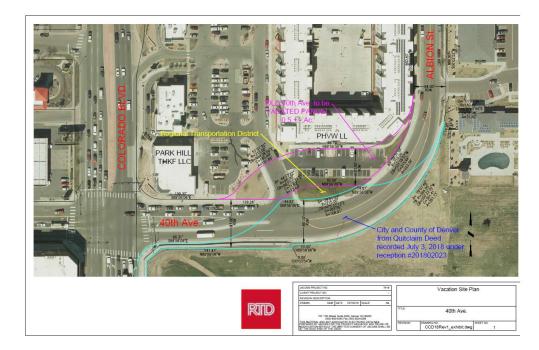

Real Property

- Property and Easement Acquisition and Disposal
- Facility Use Permits
- Leases
- Licensing

Systems Engineering

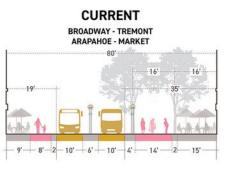

- Traction Power
- Train Control System (Signals)
- Overhead Contact System (OCS)
- Communications
- System wide Electrical (Ductbank)
- Light and Commuter Rail Vehicles
- Stray Current Control
- Ticket Vending Machines
- Operations Control Centers
- Rail Activation
- Integrated Testing
