

TSE Applicant Essay Questions

Please submit detailed, thoughtful answers to the essay questions below for review by the Selection Committee. Brief and/or incomplete answers will render your application unacceptable and disqualified. Essays should be well-written, articulate, and demonstrate executive caliber.

1. What do you hope to gain from the Transportation Senior Executive Program? Specifically, what are your learning objectives? Think about what the value of the training investment means for you.
2. Describe your greatest leadership success and your greatest leadership challenge. How can attending the Transportation Senior Executive Program help you address both?
3. In what way can your participation in the Transportation Senior Executive Program provide value back to your organization? In other words, what's in it for them?
4. How can attending the Transportation Senior Executive Program prepare you for a greater leadership role within your organization or the transportation industry, in general? Please be specific.
